25 Great, All-American Dates

We suppose you *could* do dinner and a movie again. But better yet, make your next couple-outing special with these truly awesome activities all across the states.

By Rachel Mosely

Eau de romance

A classic symptom of the smitten: hanging on to a cologne-doused t-shirt. At [Tijon](#), a perfumery, couples can design their own custom perfumes, meaning you'll know each other's smell from a mile away.
